

Dear Parents,

Welcome to a new school year at Wallace Elementary School! My name is Mrs. Kelly McGuire and I am the new principal here at Wallace Elementary School. I arrive at Wallace Elementary with 19+ years of educational experience and 2 years of administrative experience. I am committed to providing your child with high quality academic education and a positive learning environment where “character matters.”

As parents, you are the first and most important teacher for your child. It is our intent to work as a team to foster the up-most learning environment. Please, remember that it is extremely critical that students attend school every day so that they have every opportunity to learn. There is a direct link between consistent attendance and high-student achievement.

Parents, if you pick up your children from school, please remember to pull-forward if you are using the parent pick-up area. By not pulling forward we are putting our walking students in harms way. Please remember to do this each day. If your child is riding the bus home and they will be riding a new bus, please remember to call the front office 669-2141 and make arrangements for a bus pass. Another reminder, if your child needs lunch money, please plan to send money with your child on the first day of school.

We have an excellent staff at Wallace Elementary School who care about children and are dedicated to working hard so that every child will succeed. Please contact your child’s teacher first if you have any questions and concerns as they are most familiar with your child and the situation. Parent/teacher communication is very important to me and again, your child’s learning success is my top-priority. Should you need to contact me please call 669-2141 X1365 as my door is always open.

I am excited about the coming school year and look forward to all of us working together to make your child’s experience one of the “best years” ever.

To make this a smooth transition for your child we are having Open House on August 1st @6:15. Please report to the Dome first as each teacher will be introduced, student demographics will be distributed and classroom assignments will be delivered. After teacher introductions each teacher will report to their classroom and students are encouraged to go and meet their new teacher.

I look forward to see you at **Open House on August 1st @6:15 in the Dome.**

Sincerely,
Meet The Principal
Mrs. Kelly McGuire
